## About CRA

The Cleaning and Restoration Association (CRA) is a nonprofit organization of cleaning and restoration firms from the Western United States. The association's goal is to create venues to advance the knowledge and professionalism of the cleaning and restoration industry.

## CRA Membership

***It is the mission of CRA to advance the interests of its members by providing educational programs and services that are relevant to their business needs.***

Meetings, training programs, and online services create networking opportunities and information hubs that will support and enhance your business. Discounts on programs and purchases provide your business with exclusive savings that will *more than cover* the cost of membership.

### CRA Regular Members

The CRA Regular Membership consists of cleaning and restoration firms. Regular members receive all CRA member benefits.

### CRA Associate Members

The CRA Associate Membership consists of suppliers and manufacturers that provide products and services to support the Regular membership. Associate members enjoy all regular benefits, as well as opportunities to market their products and services to Regular members.

## The Benefits

### Meetings and Events

**Training Programs** – CRA regularly offers IICRC training programs as well as advanced training programs designed to enhance the credentials and expertise of our members.

**Online Seminars** – Online meetings and seminars held by industry leaders provide members access to exclusive information and networking opportunities.

**Meetings at Conventions** – CRA will be hosting Members Only meetings at conventions throughout the year.

### Online Services

**Member Profile Search Database** – Consumers can search through a database of CRA members to find qualified and trained Cleaning and Restoration Professionals.

**Featured Members Exposure** – CRA members are featured on a rotating basis in the “Featured Members” section of the website homepage. This includes their company logo, description, and photo.

**Online Technical Library** – Technical articles, management articles, and marketing articles are accessible in the Members Only portion of the CRA website.

### Exclusive Discounts

**Training Discounts** – As a CRA member, you are entitled to discounts on technical courses, books and workshops offered or sponsored by CRA.

**WFOA Trade Scholarship Program** – Receive a reimbursement of up to a total amount of \$500 for 50% of any course or convention fees per calendar year with the WFOA Trade Scholarship Program.

**\$100 off Connections Convention** – CRA is working in cooperation with Connections Convention to provide CRA Members a discount of \$100 per attendee for Connections Convention in Las Vegas.

**Supplier Discounts** – CRA Associate Members provide exclusive discounts on their products and services for CRA Regular Members.

### And More!
